RESOLUTION

BE IT RESOLVED on this 6th day of November, 1987, that I, CHARLES L. MILLER, as Director, ARIZONA DEPARTMENT OF TRANSPORTATION, have determined that it is in the best interests of the State of Arizona that the DEPARTMENT OF TRANSPORTATION, acting by and through the Highways Division, enter into a Construction Intergovernmental Agreement with MARICOPA COUNTY for the installation of traffic signals justified by a Traffic Engineering study, and a Letter Addendum to the Maintenance Intergovernmental Agreement for the operation and maintenance of traffic signals and/or highway lighting. Essentially, the Agreement establishes that the State will furnish all materials and equipment necessary to complete the installation of traffic signals and that Maricopa County shall install, or have installed, the materials and equipment. Therefore, authorization is hereby given to draft said Agreement which, upon completion, shall be submitted for approval and execution by the State Engineer.

1. BRIEF DESCRIPTION OF PROPOSAL AND REQUESTED BOARD ACTION:

Pursuant to an engineering study by Arizona Department of Transportation, it is recommended that traffic safety be maintained by upgrading the traffic controls from stop signs to traffic signals at S.R. 87 and Riggs Road. The County's responsibility on this project is to provide labor and equipment to install the signal with materials furnished by the State.

It is also recommended that the Letter Addendum (Exhibit "C") be added to the existing list of intersections stating that Arizona Department of Transportation will maintain the traffic signals and roadway lighting with Maricopa County paying for the monthly electrical costs.

Upon approval and execution by the Board of Supervisors, please return both originals to Mr. Eric Hoffman, Real Estate Supervisor, Highway Department.
